NEW BUSINESS

Flat screen monitor and wall mount

Steve Flanders wants to replace current monitor in selectmen's room for a new Monitor. Mark Bluteau says the size should be 32". Scott Hazzard says we would also need a wall mount to allow the monitor to be secured to the wall.

Motion to Research Bids for monitor and wall mount.

Motion: Raymond Eaton

Second: Scott Hazzard

Vote: 4-0 Motion carries

New Camera

Steve Flanders wants to research cost of new camera. Mark Bluteau says let's get monitor situation taken care of first then move on to new camera.

New CPU

Mark Bluteau spoke about the need for a new cpu for the studio. The one there now is very slow and outdated.

Programming Ideas:

Scott Hazzard asked about John Stark HS media program and possibly bringing in students to shoot and broadcast sporting events and HS Plays.

Mark Bluteau spoke about doing interviews with older lifelong residents of Weare. It's a unique perspective in which needs to be documented for the prosperity of future generations.

Scott Hazzard asked about possibly taping tours of the safety complex. Possibly having Chief Eaton or Chief Begin give the tours. Maybe encompass that in ride-alongs so the residents of Weare could see the work being done by both FD and PD.
